The  
*Art of Real Ale*  
Brewing

Andy Weaver  
Head Brewer | Wadworth

## Beer

We've been brewing the finest beer in Wiltshire since 1875. We believe that simplicity and high-quality ingredients deliver the best beer. Every cask, keg, can and bottle of Wadworth beer perfectly balances refreshment, taste and quality.

**NO COMPROMISES MADE. NO CORNERS CUT.**

Our hero beers are real ales. **Real ale** is a natural product brewed using traditional ingredients fermented to give each ale its character and strength. Each cask is delivered to the pub where it is 'tapped' and left to 'condition' for at least 24 to 48 hours before serving, to ensure we pour the perfect, bright, pint.

You'll always find **6X**, a classic crafted amber ale and **Horizon**, our easy drinking golden ale, on the bar. We will rotate through the rest of the Wadworth ale range including **Henry's IPA**, a light bronze ale with delicate malt aromas, **Swordfish**, a unique blend of Wadworth beer & Pusser's Navy rum and **special editions** throughout the year. And we've always got a range of Wadworth ales in bottles including **6X Gold ale** which offers a vegan and gluten free option with no compromise on flavour.

Whilst we're proud of our heritage and the beers we produce, we are always keen to support our fellow brewers and also keep evolving ourselves. Ask a member of team for what else is on draught and for their recommendations. If cask ale is not your thing then we have keg ales as well as lagers and ciders for you to enjoy, as well as plenty of choice in our fridges.

## Gin
